ENCLOSURES

SPARE COPIES

Buildings-Bellary-Kudligi Rest House-Transfer from the Forest Department to the P.W.D.

I forward herewith a copy of Endorsement No. 7176 dated 15th August 1925 by the Executive Engineer, Bellary Division, on the note of the District Forest Officer to the Collector of Bellary regarding the -- transfer of certain forest rest houses to other departments.

For the reasons given by the Executive Engineer, the Superintending Engineer, Madras Circle, recommends the transfer of the Forest rest house at Kudligi for use as a P.W.D. rest house. I support the Superintending Engineer's recommendation and request that the sanction of Government in the Development Department may be -- obtained to the transfer of the Rest House.

I have the honour to be,
Sir,
Your most obedient servant,

P Ranganayakulu 5/9/25

for Chief Engineer, P.W.D.

Enclosure:--

Copy of the office note of the District Forest Officer, Bellary, Ref No.496-C-I, dated 23rd July 1925 to the Collector of Bellary:--

Abolition of District Forest Office-Amalgamation with Anantapur.

I beg to state that owing to the abolition of this district the marginally noted forest rest houses are available for transfer to other departments. As instructed by the Conservator personally, I have --

(1)Kudligi Rest House with outhouses and well. Rs.2286/-.
(2)Gudekota -do- outhouses. Rs.2883/-.
(3)Rest House at Anantapur Bellary Range. Rs.2865/-.

offered the Kudligi and Gudekota buildings to the District Board President for two-thirds book value, the District Board being quasi-Government Department. I have also addressed the Executive Engineer, P.W.D. and Assistant Controller of Military Grass Farms if they require the Anantapur Building, I think the -- buildings are unsuitable for other purposes than rest houses but if you think otherwise and they are needed by other departments, their disposal may be accordingly arranged for.

Copy of the endorsement No.7176 dated 15th August 1925 from the -- Executive Engineer, Bellary.

Forwarded to the Superintending Engineer, Madras Circle. I recommend the Kudligi rest house being taken over and maintained by the P.W.D. as Kudligi is the Headquarters of P.W.D. Section and hence is often visited by P.W.D. Officers. The other two rest houses Gudekota and Anantapur- being near forest areas, with no irrigation works near by, are not required, as there is no likelihood of any P.W.D. Officer ever camping -- there.

The C.E's recommendation may be supported in this dept & the file forwarded to Development Dept for necessary orders.

[From p. 2 cf. it appears that the D.C. has offered the Kudligi rest house to the P.W.D., Bellary, for 2/3 of the book value of the building. As this dept requires the building for its own purposes Govt. should have a prior right to it.]
